I would like to take this opportunity to welcome everyone back to school. It has been a great start to the term with 5 students enrolled and everyone settling in well. Also, thank you to everyone for making me feel so welcome. I am excited about the weeks ahead and the positive learning opportunities provided for our students here at Cadell.

This year we have Karen Bolt at school Mondays and Wednesday, Hannah Marks here Mondays and Fridays, Susan Santella here Tuesday, Wednesdays and Thursdays and I will be sharing my time between Ramco and Cadell Primary Schools.

Jess Oates will be our Finance Officer and Front Office Support, Caroline Kreuzler will provide classroom support and Rachel Kratopoulos will do the WHS. Jason Lukacs will continue maintaining the swimming pool and Bryan is looking after our grounds. Kirsty will again be running the Playcentre and Robyn will be cleaning the school.

It is pleasing that we have been able to retain our teachers and staff from last year as we certainly have a strong team who are passionate about supporting student learning and wellbeing. I am very pleased to be working together with them.

Swimming

This week our students are participating in swimming lessons with Morgan and Blanchetown students and so far everyone is enjoying their lessons. On Tuesday 11th February students will have their last swimming lesson at the Waikerie Town Pool. Jason Lukacs is teaching our swimming lessons and is doing a great job.

School Governing Council AGM

We have our School Governing Council AGM on Wednesday 26th February at 5.15pm. The meeting will be held in the staff room of the Administration office. Everyone is welcome. Governing Council meets twice a term. If you would like to become a member of School Governing Council please let Rob or Susan know or attend the meeting.

Once again well done everyone on a great start to the year and if you have any questions or concerns don't hesitate to ask.

Kind regards,
Rob.

Other Information

All families have received an information pack for 2020 which includes consent forms and information stored on our school data base of your child. If your child has any change in their health that we need to know about, your mobile numbers have changed or your emergency contact details have changed, please let us know as a matter of urgency. Please sign the consent form page and return to the front office.

Students can arrive at school from 8.30am but if they arrive earlier they need to wait in the library until a teacher is on yard duty. At the end of the day, the school crossing is the first priority especially if there is only one teacher available. Students need to stay inside the fence until a parent/carer arrives. If someone else is collecting your child, please let the school know through a written note or phone call. This is very important so staff are aware of who is picking up your child/children.

Splash Carnival/ Mid Murray Sports Day

Splash Carnival will be Friday 21st February at the Waikerie Pool. There will be a \$2 fee for all spectators. Student costs will be covered by the school.

Mid Murray Sports Day will be on Friday 3rd April at [Waikerie Community Sports Centre Oval](#). **Parents will need to transport their child/children to these events.** If there are any issues please speak to Susan Santella.

BIRTHDAYS

Special Birthday wishes go to Jess Oates who celebrated her birthday in January!
