Principal's Message

Monday's Memories

Hopefully many of you have caught up with our Monday Memories' photographs instituted on our Facebook page by Mrs Oates. So far we have over 2888 views of the post, 37 people have liked the post, 27 people have shared the post and 133 people have liked our page since putting the page online. We are currently going through old school photographs and putting them up on our page. Please encourage family members to like our page and share to spread the word. One of our purposes for putting them up is to reach out to as many ex students and teachers as possible, for our celebrations next year when the Cadell township turns 100 years.

Leave

I am currently on leave for a week due to the birth of my grandson in Queensland. Whilst I am away Mrs Santella will be Acting Principal – Duty of Care.

100 years celebration 2019

As a school we will be taking part in the community celebrations sometime in the middle of September 2019. The school will be open for visitors on the Friday prior to the town events showcasing student work and giving people an opportunity to reminisce and tell tall tales of their time at school. We also hope to open the Cairn, time capsule which was sealed on 4 June 2000.

School Photos

These arrived last week and all families should now have them. The individual and school photo came up a treat.

School Closure

At our last Governing Council our school closure day for Friday 7th September was approved and it coincides with The Adelaide Show. All Partnership schools will be closed that day.

SAPSASA Athletics

Congratulations to Arian and Zack who competed at SAPSASA athletics last week. Both competed to the best of their ability and represented us well.

Excursion 21st August

Our upcoming excursion to Loxton Historical Village is next Tuesday. Please remember to have students here at school on time so that we can leave the school at 9.00am.

Oscar W Visit

On Tuesday November 13th, 2018 the Oscar W Paddlesteamer will again be hosted by our school. The crew will arrive at our school around 10.00am; we will have a few fun activities including the famous or infamous annual tug-o-war followed by morning tea. Parents are welcome to stay and enjoy the activities. Once again, Parents, Students and Staff are very fortunate to be invited to enjoy an afternoon cruise departing from Morgan riverfront at 3:30pm. Students can leave school at 3pm to enable them to travel to Morgan. To attend the cruise students must be with a parent or allocated adult.

Book Week

Students will be participating in Book Week activities in Week 5 (next week). The theme this year is “Find your Treasure”. Students are encouraged to come dressed up on Thursday 23rd August as their favourite book/movie character or a character to suit this year’s theme ie: pirate. Our celebrations will include the Morgan/CWA ladies and Playcentre families.

Thursday morning:

9.30am – Dress up Parade with everyone (School, Playcentre and CWA Ladies)

10.00am – Lisa (Morgan Library) will do activities with Playcentre and JP students.

10.00am – CWA Ladies will do activities with UP students.

10.45am – Recess and cuppa with CWA ladies and Playcentre families.

Katrina from the Waikerie Library will be here on Friday 24 August to do a Book Week activity with the students.

Playcentre Playground

Thanks to Sam Lynch and Chris Redemski who donated a kitchen sink to our Playcentre. Thanks also to Bryan, our grounds man who built it into a framework to enable students to enjoy water and mud play whilst at Playcentre. I am sure parents will take the opportunity to get down and get dirty with their children. The playcentre grounds are looking wonderful.

SSO Week

We would like to recognise the fantastic work by each of our SSO's. We are so fortunate to have such highly skilled and wonderful staff. Many thanks go to Joanne (Finance & Administration), Kirsty (Playcentre Coordinator), Rachel (WHS & Classroom Support), Caroline (Adventure Play & Classroom Support), Jess (Student Support), Sharna (Student Support), Tori (Student Support), Bryan (Groundsperson), Jason (Pool Operator), Joddi (Cleaner). Thank you all for your hard work and dedication.

Student Well Being Survey

Last week our students in the Primary sector completed the DE Well Being and Engagement Survey. Questions centered on how they felt about themselves, their work, bullying and how helpful staff were in supporting them at school. Information from that report will be available next term and will be used to help shape our 2019 Site Improvement Plan

Gymnastics

Due to the success of our Gymnastics program in term 2 we are again offering 2 sessions this term. Tri – Skills will be here on 22nd August and 10th September. The sessions will be conducted in the Institute.
