This term we have been connecting with what’s happening in the world and have been looking at the Olympics in Rio. We have made an Olympic torch, the Olympic Rings, had an obstacle course and made medals.

Our numbers of enrolments have increased, which is fantastic! We sometimes now have between 4 and 8 children in attendance which allows for more social play and learning.

Mr Cox from the Waikerie library visited for book week and we joined with Mrs Santella’s class to listen to a story about dogs and we then made some dogs.

Renee continues to teach us about Kimochi’s and we made the Kimochi “Cloud “out of paper plates and cotton wool.

Later this term we have Lisa from Morgan Library visiting and we have lots of fun activities planned for the rest of the term
